ALMOST DAKOTA
FROM NEVER DAKOTA

A SOLO SET FROM NEVER DAKOTA //

POP PUNK & EMO ANTHEMS WATERED DOWN WITH INDIE & POP ROCK

"HI, I'M ALMOST DAKOTA. THE REST OF THE BAND COULDN'T MAKE IT."

Live music for pubs that want a proper night out without booking a full band, or just don't have the room, or the budget, for one.

WHY IT WORKS

People go out for a night they know they'll be singing at. The songs from Never Dakota's set that crowds shout back, mixed with the indie and pop rock singalongs everyone knows, so it's not just the ones at the front who know the words. Your regulars bring their mates, and they stay for the last chorus.

THE FRONTMAN

I'm Jack, Never Dakota's singer and guitarist. Live guitar and vocals, with backing tracks filling in the rest of the band.

SMALL CORNER

My own PA and lights, in a corner a four-piece band would never fit into.

THE PROMO

Posters, a Facebook event and a ready-made post, done for you for every gig.

ALL INCLUDED

- ✔ Two 45-minute sets as standard, or two 60-minute sets if you want a longer night
- ✔ My own PA and lights, set up in a small corner
- ✔ Posters designed for your night (A4 for the bar, plus feed and Story versions) and a ready-to-paste post
- ✔ A Facebook event with your page as co-host, so it shows on your page and reminds everyone interested
- ✔ Tagged in everything we post, before and after the night

FROM NEVER DAKOTA

Almost Dakota is the solo set from Never Dakota, the four-piece pop punk and emo band from Northampton. In 2026 the band has played the Green Dragon in Higham Ferrers, the Wig & Pen, The Squirrels in Duston, the Crown & Anchor, King Billy and The Phipps, and venues keep booking them back.

Same singer, same songs people shout back, scaled down for smaller rooms and quieter nights.

Got room for the full band? Ask for the Never Dakota booking pack, or see neverdakota.com.

WHAT I PLAY

The big ones from the Never Dakota set (Blink-182, Green Day, Paramore, All Time Low, Sum 41), watered down with indie and pop rock singalongs, so your whole pub knows the words, not just the ones who owned a studded belt.

THE PRACTICAL BIT

MUSIC	Two 45-minute sets as standard (for example 9pm to 9:45pm, then 10pm to 10:45pm). Two 60-minute sets on request
SPACE	A small corner: one guitarist, a compact PA and lights
SOUND	My own PA and lights. Nothing to hire, no sound engineer to pay
POWER	Plug sockets near where I play
SET-UP	Set up and soundchecked before your evening gets busy
CONTACT	Jack, 07530 760483
