WEDDING PACK
A SOLO SET FROM NEVER DAKOTA // NORTHAMPTON

YOUR WEDDING. ALMOST OUR EMO NIGHT.

Live music for your evening party, for couples who want something louder than a playlist but don't have the room for a full band.

HI, I'M ALMOST DAKOTA

The rest of the band couldn't make it. I'm Jack, the singer and guitarist from Never Dakota, playing solo: live guitar and vocals, with backing tracks filling in the rest of the band. Pop punk and emo anthems watered down with indie and pop rock, so the mates who owned a studded belt and the ones who didn't all end up singing.

LIVE, SOLO

Live guitar and vocals, with backing tracks so it still sounds like the record.

SMALL CORNER

My own PA and lights, in a space a four-piece band would never fit into.

ALL SORTED

I set up, soundcheck and pack down. You just get on the dance floor.

WHAT YOU GET

- ✔ Two 45-minute sets for your evening party, or two 60-minute sets if you want a longer night
- ✔ Sets fitted around your evening: the cake, the first dance, the buffet
- ✔ My own PA and lights, or your venue's system if they'd rather
- ✔ Set up and soundchecked before your evening guests arrive
- ✔ The big ones from the Never Dakota set (Blink-182, Green Day, Paramore, All Time Low, Sum 41), plus the indie and pop rock singalongs everyone knows

EXTRAS I OFFER

- ✔ Your first dance, played live
- ✔ Playlist music through my PA before, between and after the sets, so the room never goes quiet

Tick what you'd like when you book and I'll build it into your quote. Something else in mind? Ask.

ALMOST DAKOTA
FROM NEVER DAKOTA

FOR VENUES & WEDDING PLANNERS

When a couple wants live music for the evening but the room, or the budget, won't take a full band, I'd love to be the act you recommend.

THE PRACTICAL BIT

MUSIC	Two 45-minute sets as standard. Two 60-minute sets on request
SOUND	My own PA and lights, or your house system if you'd rather
SPACE	A small corner: one guitarist, a compact PA and lights
POWER	Plug sockets near where I play
SET-UP	Set up and soundchecked before the evening guests arrive
SOUND LIMITER	No problem. Happy to play to your sound limiter
HOUSE RULES	Tell me your load-in route, timings and curfew, and I'll work to them

WHY RECOMMEND ME

- ✔ A live act for alternative couples that fits rooms a band can't
- ✔ Self-contained: I bring, set up and pack down everything myself
- ✔ I deal with the couple directly on songs, timings and extras
- ✔ From Never Dakota, the band venues keep booking back at the Wig & Pen, King Billy, the Crown & Anchor and the Green Dragon
