

EMO NIGHT WITH NEVER DAKOTA

The night your regulars talk about, and the one that brings in people who don't normally come to yours.

WHY AN EMO NIGHT FILLS A PUB

People don't go out for "live band on Saturday". They go out for an emo night, the same way they would for a themed club night. They bring their mates, they dress up for it, they know every word, and they stay till the last song. Free entry gets them through the door; two hours of Blink-182, My Chemical Romance and Paramore keeps them at the bar.

WHAT YOU GET FOR ONE BOOKING

2 HOURS

One set, straight through. No half-time break, no dead air, no drifting off home.

FULL RIG

Our own PA and lights. Nothing to hire, nothing to set up, no sound engineer to pay.

THE PROMO

Posters, a Facebook event and ready-made posts, done for you for every gig.

ALL INCLUDED

- ✓ A full 2-hour set of 2000s pop punk and emo anthems

VENUES THAT BOOK US BACK

In 2026 we've played the Green Dragon in Higham Ferrers, the Wig & Pen, The Squirrels in Duston, the Crown & Anchor, King Billy and The Phipps.

The Squirrels and the Crown & Anchor have both booked us twice this year, and we're already confirmed back at the Wig & Pen, King Billy and The Windmill **seven times in 2027**.

WHAT WE PLAY

The songs everyone screamed at 15: Blink-182 · My Chemical Romance · Paramore · Sum 41 · All Time Low · Jimmy Eat World · Foo Fighters · and more. No originals, no filler, no slow ones to send people to the smoking area.
